

February Worship

Pastors Shreve and Wheeler continue their sermon series on "Stepping Out in Ministry" the first two weekends of **February**. As a congregation we have made a commitment to support St. Paul Church through our prayers, presence, gifts, service and witness in the world. Be in worship and hear how we might honor those vows in 2018! It has been a long custom at St. Paul Church to celebrate Black History Month with the intentional singing of the Afro-American spirituals that are documented in the United Methodist hymnal and denominational supplements. Enjoy the rich musical tradition that we can celebrate together!
