

Learning, Serving, Praying, and Playing:

St. Paul youth had some good times together in August. We went to Fun-Plex and Mama's Pizza on August 6th. Ten of us went to the Connect Event at Camp Fontanelle on August 18th. We trekked immediately to the huge jumping pillows and practiced our tricks there. Worship included a camp worship leader named Sebastian. He was great at getting everyone up to sing and move to the Christian songs. Ashley's message was about prayer. After lunch we participated in the Zombie Game, which was held in honor of Simon Jones, who died at age 18 years old of a rare form of cancer. We chased after zombies in the corn maze (the corn was 13 foot tall) and were presented with the grand prize of \$1,000 at the closing worship service!! This money will be used for an extreme fun activity during next summer's mission trip. It does not fund the youth trip itself, but a fun activity that will be chosen by the youth group. We are honored to receive this prize and look forward to choosing the extreme and fun activity!
